Subject: Being still in the storm

Good day all. The storm is that which brings great upheaval. It rages upon the sea of our mind, bringing the ship of our vessel into stormy waters. The forces of this storm are beyond our control, being factors of the past, which have now borne fruit. And yet we have a decision to make within the midst of the storm ~ to panic and mimic the upheaval of the storm ~ or to stay still in the silence and mimic the Peace of God. For as Jesus remained still in the silence of faith as the storm weathered down upon the boat with His disciples ~ and as Jonah gave his life to the storm on the seas in exchange to save the lives of all on board ~ so must we *surrender* to the storm and hold great faith, knowing the storm in our midst is God's great plan. Amen.

And may you all be blessed in our Father's love and grace.
