Subject: Holding compassion for the soul who attacks

Good day all. When we see another soul attacking others ~ or attacking us ~ our natural instinct is to react with fear and to consider or react with a counter-attack. We often don't *consider* their attack is an expression of their pain, and our counter-attack an expression of our own ~ for in our decision to react with the "fight or flight" mindset, we have lost sight of the mindset of 'compassionate' love.

Amen. And may you all be blessed in our Father's love and grace.
