Subject: Losing our footing in the Peace of God

Good day all. The moment we attach our self to the physical we lose our footing in the Peace of God ~ for it is in this very moment that we experience the 'wanderers curse' of weeping and gnashing of teeth. Here we wander away from the *Peace* of God into the valley of torment and denial of God ~ for we are seeking to replace our worship of God with a worshipping of the physical as our new primary god.
Amen. And may you all be blessed in our Father's love and grace.
