Subject: Only by bearing hardship will Heaven's door approach

Good day all. Every day we are confronted with new trials, and with every trial we must bear the hardship. For only by bearing the hardship of these trials will we bear the hardship of the tribulation that follows. For as Jesus was put through His own earthly trials, and bore the hardship of the tribulation that followed ~ His refusal to react with fear or with anger, His refusal to flee from the intensity of the pain, His refusal to make a deal with the devil ~ earned Him the right of ascension unto the Heavenly plane. Amen. And may you all be blessed in our Father's love and grace.
