Subject: The three poisons

Good day all. If someone offered us a bottle of poison, we would hardly take it and drink it down. Yet the prince of darkness, in his many different guises, offers us three deadly poisons to imprison our soul. And the first of these is the poison of desire, which when consumed with delight causes us to sleep in the valley of the shadow of death. And in our sleeping state we are offered a second, to *defend* our desires, which is the poison of hatred. And in this haze of hatred we offered a third, to *defend* our hatred, which is the poison of delusion. And yet the poison of desire is not offered as a poison, but as a beautiful apple to the snow-white soul ~ who after entering the valley of the shadow of darkness, must be found and awakened by the Great Awakening Soul. Amen. And may you all be blessed in our Father's love and grace.
