Subject: The ultimate game of snakes and ladders

Good day all. In this larger than life game of snakes and ladders toward union with God—each soul must progress in an *upward* motion on the 'ladder of life' ~ or else quickly slide backward ~ in partaking of the serpentine consciousness of eating of the forbidden *fruit* of this life. For this is the consciousness that judges things as 'good or bad' or 'good or evil' and raises itself above the *Son* of Man, the Body of Christ of which we all are a part. For if I raise myself above my neighbor, have I not raised myself above the Body of Christ? And has Jesus Christ not spoken these words, "What *has* been done unto the least of these, my brethren, *has* been done unto me"? So let us progress on the game of life, but in a *Way* where we don't need to roll the dice ~ where *every* step we take in our life, is a notch on the rung of the Ladder of Life. Amen. And may you all be blessed in our Father's love and grace.
