Subject: What it means to be good and saintly

Good day all. We become what we make real in those around us. If we make real the evil we see in others around us, we take on the vibration of evil in our mind. If we see the purity of God's Spirit in those around us, we take on the vibration of God's Spirit in our heart and our mind. Purity is the garment of the good and the saintly and can only be worn by the pure of heart ~ who see nothing but the purity of the 'immaculate conception' of *every* life stream that is and ever was. Amen.

And may you all be blessed in our Father's love and grace.
