

CHURCH SERVICE WITH MAITREYA CHRISTOS

July 12th, 2019

Subject: A birthday salute

Good day all. So much focus is put on the day of *birth* of the physical body of the soul. And so little focus is put on the birth of the spirit of the soul, from the spirit of man to the Spirit of Christ. For does it matter at the end of this life what day of the year we are born, when our spirit hangs in the balance? And does it matter how many candles we blow out when our heart can change from the spirit of man to the Spirit of Christ in one fleeting moment? Thus let us pray for the birth of our spirit at all costs, to be reborn from man unto the Spirit of Christ ~ for thereupon we shall truly have cause to celebrate, the Candle of Glory of this new precious life.

Amen. And may you all be blessed in our Father's love and grace.
