

CHURCH SERVICE WITH MAITREYA CHRISTOS

June 27<sup>th</sup>, 2019

Subject: A change of heart

Good day all. If we were walking through space amidst an ocean of mist and were in the presence of a myriad of ghost-like phenomena, swooning all around to frighten and disturb us, and knew in our heart that all these ghosts could not harm us ~ how would we respond? And if we knew in our heart that our Father was watching, to see our reaction to this variety of ghosts – who we knew could be helped by the outpouring of our love ~ how would we respond? Would we hide and run away, or shoo them away, or pray them away with all our might? Would we scare them away, or heckle them away, or pretend them away so they were out of sight? Or would we stay and pray for their eternal salvation and be a Lamp of the World amidst a ghostly crew in the Valley of the Shadow of Death? For this world of damnation is in need of salvation with a great outpouring of love and light ~ and only those who aspire to be a Lamp of the World can bring salvation to the ghosts of the midnight crew, and lift their spirit unto the Morning Glory of the Infinite Christ-like Son. Amen. And may you all be blessed in our Father's love and grace.
