Subject: Catching a glimpse of a lack of humility

Good day all. A good school monitor monitors the motions of *any* lack of cordial behavior and reports this accordingly to the ruling authority. And so we must *be* as the good school monitor who monitors the *motions* of any lack of humility, where as soon as we catch a glimpse of its arising, we nip it in the bud with a gentle hiding.

Amen. And may you all be blessed in our Father's love and grace.
