Subject: Justifying injustice in the wake of God Justice

Good day all. How many of us cry foul when confronted with an assault from others ~ and we complain to anyone who will listen that this one or that one has does this thing or that thing to insult us, or reject us, or badmouth us, or degrade us and on and on the list of injustice goes. For God has used that instrument of assault to assault our vessel for a higher purpose; to bring our soul from the depths of damnation to the heights of redemption, from the depths of hell, to the heights of love. The energy being sent us is the energy of damnation, and the decision to forgive it is the decision to redeem our soul. The energy being sent us is the energy of hell, and the decision to bless it is the decision to join Christ in the holy vessel of love. Amen. And may you all be blessed in our Father's love and grace.
