Subject: Let the Light shine

Good day all. The darkness abounds and is all around while we inhabit the confines of this earth. So let it be, that with certainty, we make heed to shine God's Light. For there will always be a shadow that casts across our mind while we inhabit the confines of this earth ~ so we must make the determination to shine all the time to eliminate the shadows of death. For the moment we stop shining is the moment the darkness will prevail across our mind ~ and diminish our capacity to shine God's Light in the Valley of the Shadow of Death. Amen. And may you all be blessed in our Father's love and grace.
