Subject: Let today be a new day

Good day all. As we journey through our life we pick up along the way a collection of collectibles along the way. These are not the collectibles we buy and sell, but those we trawl through the ocean of our life's journey, in the 'net' of our remembrance.

Here we remember this hurt or that hurt, or this loss or that loss, or this one or that one who has trespassed against us ~ and all to add to our collection of collectibles, to live in the past and not for the day. Let the past be the past, for it will tie us in peril, if we don't free our net of the pain of this life ~ for if we carry this pain in the net of our remembrance, how then will the Holy Spirit abide in our heart? Amen. And may you all be blessed in our Father's love and grace.
