CHURCH SERVICE WITH MAITREYA CHRISTOS

June 3<sup>rd</sup>, 2019

Subject: Let us see the illusion of this world as it is

Good day all. From our earliest days we experience this life as lasting 'forever' ~ however as we age we experience the gradual slipping away of time ~ and then the more we age it seems like this life was merely but a dream. And the reality is it IS a dream, like sands through the hourglass, which will flash past our eyes as quickly as a movie will begin and end. And if we can see the movie was merely a movie before the credits start rolling towards the very end, we will establish an awakening in the core of our being that transcends all time and leads us back to the Holy of Holies.

Amen. And may you all be blessed in our Father's love and grace.
