Subject: Magic land

Good day all. Within this land of the Valley of the Shadow of Death, where the apparitions of creations of all mankind are on display for all the world to see; where the apparitions of the spiritual world, from the heights of the heavens, to the depths of the hells, offer their wares for all the world to see ~ we, as children of the God of all Creation, have the power to conjure into our own reality anything we please. Thus we must use our power of thought with utmost care to conjure that which we desire to see; for that which we echo with the vibration of hatred, will conjure the experience of more and more hatred; that which we echo with the vibration of craving, will conjure the experience of more and more craving; and that which we echo with the vibration of fear, will conjure the experience of more and more fear. So let us be mindful of the power that we have to conjure at will in this magic land, to only ever echo the peace of the Dove and the healing vibration of Christ Eternal Love. Amen. And may you all be blessed in our Father's love and grace.
