Subject: No longer a part of the resistance

Good day all. For as long as we are attached to the body, to our possessions, to the 'things of this world', and to outcomes unfolding in a certain way, we have set the foundation to become a part of the resistance. For in attaching our self to the body, to our possessions, to the 'things of this world', and to outcomes unfolding in a certain way, we have to defend them against all loss, deterioration and destruction. This mindset of attachment to the material world is the worshipping of the god of mammon ~ and it taxes us a heavy price, as we suffer in continual torment in our never-ending resistance to resist all loss, deterioration and destruction. We get angry at this one or that one who threatens our material god, or at God who threatens our material god, or at the material god itself who we know is ultimately powerless against all loss, deterioration and destruction. We use this material god to seek comfort and happiness and to build a paradise of heaven on earth ~ yet this is our feeble attempt to by-pass our Father and to take heaven right now and by force. For our Father has a Plan to enter the gates of Heaven, that is beyond all intermediary levels of the spiritual realms ~ where we must renounce all other gods before our Father in Heaven, in order to ascend unto Heaven from hell. Amen.

And may you all be blessed in our Father's love and grace.
