Subject: Surrendering to a situation beyond our control

Good day all. Every day we are confronted with situations that are beyond our control ~ and it is in this no-mans-land of 'no control' that we must fight for our survival. For as the bullets are firing and the bombs are blowing and we are caught in the middle with no sanctuary in sight, we must take cover in the midst of no-mans-land, by entering the Spirit and Mind of our Lord Jesus Christ. Here we surrender the flesh to the flesh, and the spirit to the Spirit as our final test ~ for it is only by letting go all worry for the body, will our mind and our spirit be eternally at rest. Amen. And may you all be blessed in our Father's love and grace.
