Subject: Tolerating the intolerable

Good day all. Many things come across our path that we judge "intolerable" ~ stemming from our desire to create heaven on earth, that at times we experience as hell. And at times we feel a burning inner rage when that attempt to create heaven is thwarted by others, or by events, or by disasters that come into our life. We must 'change our mind' about the world around us, for the difference between heaven and hell is our mind ~ and unless we create heaven in the depths of our heart, no outer conditions will change our mind. Amen. And may you all be blessed in our Father's love and grace.
