Subject: Walking the road of humility

Good day all. As we move through our day, let us be in every way, the manifestation of humility. In every thing we do, let it be an act of humility ~ whether it be washing our hands, or moving something around, or walking around ~ let each step we take, let every breath we take, be in constant motion of the act of humility. For in this act of humility we not only bow before every experience delivered to us by the Hand of God, but to every experience the Spirit of God through us, confirms through us, we are indeed God's Spirit in the holy land. Amen. And may you all be blessed in our Father's love and grace.
